

**Agency: Commerce, Community and Economic Development****Grants to Municipalities (AS 37.05.315)****Grant Recipient: Anchorage****Project Title:**

# Anchorage - Jewel Lake Road Construction Of Missing Pedestrian And Storm Drain Facilities

**State Funding Requested: \$ 500,000****House District: 27 - N**

One-Time Need

**Brief Project Description:**

Project will construct missing pedestrian and storm drain facilities. These issues are creating a safety and traffic problem in the area surrounding Sand Lake Elementary School.

**Funding Plan:****Total Cost of Project: \$100,000**

	<u>Funding Secured</u>		<u>Other Pending Requests</u>		<u>Anticipated Future Need</u>	
	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>
Local Funds	\$500,000					
Total	\$500,000					

**Detailed Project Description and Justification:**

This project has been bonded; the matching bond funds are in hand. It is currently not included in the area-wide funding for Anchorage road projects.

A separate appropriation will be needed in order to correct this problem which is creating a safety and traffic hazard in the area surrounding Sane Lake Elementary School, which is an immersion school serving the greater Anchorage area.

**Project Timeline:**

FY09 Construction Start

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

Municipality of Anchorage

**Grant Recipient Contact Information:**

Contact Name: Jim Lamson, PME Coordinator, Municipality of Anchorage

Phone Number: 343-8120

Address:

4700 Elmore Rd

Anchorage, AK 99507

Email: lamsonjl@muni.org

Has this project been through a public review process at the local level and is it a community priority? ☒ Yes ☐ No

**2008 STATE LEGISLATIVE PROGRAM****MUNICIPAL PRIORITY ISSUES*****Capital Budget*****House District Transportation Projects**

**PROJECT NAME:** JEWEL LAKE RD DRAINAGE AND PEDESTRIAN SAFETY - 82ND AVE  
TO 88TH AVE

**PROJECT TYPE:** Safety

**GRANT REQUEST:** \$500,000

**PROJECT DESCRIPTION:**

This project will construct missing pedestrian and storm drain facilities. Design efforts and partial construction have been funded with a combination of local road bonds and a state grant totaling \$380,000. This grant, combined with a 50/50 local road bond match, will fully fund the project for a 2009 construction start.

**COMMENTS:**

Design will begin in the spring of 2008.

**JUSTIFICATION:**

There are missing links in the pedestrian facility along the east side that need installing. Additionally, the existing municipal storm drain system under Jewel Lake Road is inadequate in the 86th Ave area resulting in flooding and glaciation.
